Old Business

Internet modem will be ordered this week. By the end of the summer Cyndi's computer could not access Facebook or other sites that should be available to the public. Had Cyndi ordered the diverter like suggested by the select board to bring the computers in compliance that would no longer be working due to the central office making administrative changes. The fees for our own internet will be \$70 a month for phone, internet and modem.

New Business

The knitting group is currently working on knitted knockers for breast cancer patients to be delivered to BMC and SVMC. A note of thanks was received from the Veterans Home in Bennington for the lap blankets. Also a note of thanks was received from BMC for the latest delivery of blankets and premie hats.

Mary read the excerpt from the Fairy Tale Festival booklet that Cyndi submitted about the library.

The suggestion from last year in regards to an ice rink in the school field for the community will be proposed to the school board by the PTG.

The Scholastic book fair will start on November 17, 2017 the same day as Grandparent/Special Person Day.

The December 2nd event planning has been going well. 8th grade will be holding a pancake breakfast, Santa will be available for photos, holiday music with Mandy Comai, the book fair, card making table, craft table, holiday store and quilt raffle. Fliers will be at store, post office and town office. Details will be in the November/December newsletter also.

Cyndi reminded the board that the next meeting will be for budget planning. She also asked the trustees to bring in any items they may have for the Veterans Holiday Drive. Next meeting will be Tuesday, November 7th at 3:15 p.m.

Respectfully submitted,

AnnaLisa Carew
