The LED sign was discussed, Normajeane presented a few sizes and also stated that the former Mack Brothers garage location has offered the use of their outside pole in front of the building for the sign. Normajeane will be checking on the possibility of a second remote control and if the pole is currently wired or if wiring would need to be done. She will give a report on her findings at the next meeting.

Kaleidoscope program was well attended and a final report was submitted by Cyndi to the Children's Literacy Foundation. Cyndi was disappointed that the science fair was not held this year therefore the children did not have an opportunity to display their work.

Seed program was once again a big hit and this was held during April vacation.

New Business:

Programs have been heavily advertising on Facebook, chamber in Wilmington, Front Porch Forum and the bimonthly newsletters. (see attached)

Discussion was held on the books to be purchased in memory of Priscilla Margola. Mary had an article about a poetry book and it was decided that would be a great addition in memory of her, as well as a travel book of Vermont.

Next meeting to be held Tuesday, July 9th at 4 p.m.

Meeting adjourned at 5:00 p.m.
