3. Old Business

N/A

4. New Business

Update on Library

VSBIT Report – *Discussion on VSBIT report. Report submitted to library by Helyn on January 3rd. No reports provided prior to that. The report is dated November 6th, the library never received a copy from the school or any communication in regard to inspection, hazards and/or recommendations.*

Quiet Corner - *Chair that was set up in front of egress door by school library media specialist has been removed. It was deemed a hazard to block egress door.*

Communication between Town/School

Currently little to no communication between school and community library.

-Mary would like to see this relationship improved, suggests encouraging a working rapport between the community librarian and school library media specialist.

-VSBIT inspection completed November 6th, results of report never submitted to community library

-School library media specialist (Cohen) resigned, community library never contacted or made aware of this change to a sub in December.

-New school library media specialist hired in January, also never communicated to the community library.

-Change in practice : Cyndi was told that the children cannot check out movies during the school day. Helyn noted this is a change in practice, children have always had the ability to check out movies. Some children do not have access to the library after school as they go home on the bus.

-The library super board indicated that they would like to have Principal Sandy Pentak attend the next super board meeting to address ways in which to improve communication between the school and the community library. Next super board meeting can be scheduled upon mutual agreement on Wednesday, January 22nd @ 6:00 pm or Thursday, January 23rd @ 4:00 pm.

5. Hearing of Visitors

No visitors, N/A

4. Adjourn

*Helyn made a motion to adjourn, seconded by Mary at 5:55 pm, **Motion Passed***
